Dear Mr. Tobias:

- *All records relating to any change, by instruction, guidance, memoranda, or otherwise, to policy, practice, or procedure governing the decision(s) to list, decline to list, de-list, or down-list any species or category of species or to defer or accelerate any such decision;*
- *All records relating to any change in the standards, criteria, or review process applicable to decision(s) to list, decline to list, de-list, or down-list any species or category of species, or to defer or accelerate any such decision;*

 - *Whose hiring was coordinated with the Presidential Personnel Office; or*

- *Who, as a part of their job responsibilities with the Service, communicates with elected officials or their offices*

Response

We have searched our files and at this time, we are releasing a portion of the responsive records. We have located forty-two (42) documents that have been deemed releasable in full. The remainder of our records are undergoing review. Once this review is complete, we will provide you a response concerning the remaining documents.

Conclusion

For your information, Congress excluded three discrete categories of law enforcement and national security records from the requirements of the FOIA. See 5 U.S.C. § 552(c). This response is limited to those records that are subject to the requirements of the FOIA. This is a standard notification that is given to all our requesters and should not be taken as an indication that excluded records do, or do not, exist.

If you have any questions, please contact Aaron Valenta, Chief, Restoration and Recovery, at (404) 679-4144 or aaron_valenta@fws.gov. Thank you for contacting the U.S. Fish and Wildlife Service.

Sincerely,

7/30/2019
